

### *"I'm Home!"*

Each day feels like a birthday in this Heavenly place  
called "home," and I could not be more at peace,  
with love that I've been shown.

I feel as if I'm soaring through each moment that I'm here,  
and no matter how I try, I can't remember any fear!

Surround by my loved-ones, I don't feel out of place, and  
there's nothing left that I can't do with my Heavenly Father's grace.

I feel that spark and zest for life that He gave me once before,  
and although you cannot see me, I am with you 'evermore.

A simple picnic would have done, but you should see this feast!  
He saved a seat, right by His side, and said it's mine for keeps.

If I had known what being here with God was truly worth,  
I'd have told you not to worry about my final days on earth.

So promise me you'll seek His face when your heart is missing me,  
and you'll see me celebrating here, for all eternity!

## *Farewell Tribute For LaShunda M. Steele-Littleton*

*July 20, 1966  
January 6, 2020*

The beautiful life of LaShunda M. Steele-Littleton began on July 20, 1966 in Oklahoma City, Oklahoma. She was the eldest child born to the late Wanda Roberts and the late Robert Heath.

Shunda accepted Jesus Christ as her personal Savior at an early age. Shunda was educated in the Oklahoma City Public School System. She graduated from Northwest Classen High School. Upon completion of high school, LaShunda shortly thereafter gave birth to an adorable baby boy DeAunte L. Steele. A few years later, Shunda gave birth for the second time to an alluring baby girl Tyeisha Nicole Steele who preceded her in death. LaShunda later started working at SSM Health St. Anthony's Hospital. During her employment there, she met the love of her life Roy Littleton. After LaShunda and Roy's martial union, she continued her employment with St. Anthony's Hospital for total of 21 years. She then decided to retire but that didn't last too long because she had embodied a love for her job and the patients. Therefore, she was eager to be a part of the labor and delivery team once again. She successfully rejoined the team and continued her employment there until a recent unforeseen illness. While employed there, she became well known and loved by many.

On the day of January 06, 2020, LaShunda M. Steele-Littleton entered into the presence of her Lord and Savior Jesus Christ. We celebrate that day because we know that LaShunda was overjoyed to finally see the face of the Lord. As well as being overjoyed to reunite with her beloved mother Wanda Roberts, her beloved mother-in-law Vera Littleton, her beloved daughter Tyeisha Nicole Steele, her beloved twin siblings Therita and Theron Morris, her beloved aunts Vanessa and JaQuetta Johnson, and her beloved grandmother Rosetta Johnson.

Shunda has graciously fulfilled her assigned earthly tasks and has now entered her eternal home; nonetheless, she will still be deeply missed here on earth. She is loved so much. Shunda served as the rock of our family and was our family's SUPER. Shunda had a love for many things. Her first love was her family.

She enjoyed spending time with family. In addition to cooking huge meals for family and friends. She also loved to make everyone laugh. She was well known for her trademark sense of humor and her contagious laugh. One of Shunda's favorite hobbies was DIY craft projects. She had an amazing talent for making wreaths and centerpieces. Decorating was very therapeutic for her. She would make things just to give away to family and friends. She gave and loved so unselfishly.

Shunda took great pleasure in her husband Roy Littleton, and her grandson DeAunte L. Steele Jr. as her earthly accolades. She also took pleasure in her sister Fonda Mew, and her brother Kelvin Mew .

Shunda has left a void in the hearts of many; her husband, son, grandson, siblings, aunts, nephews, nieces, cousins, brother and sister-in-laws, coworkers, close friends and everyone who was blessed to know her.

She will always be remembered and memories will be cherished by all. We will never forget her divine face, her amicable smile, her strong, sassy, chatty, fun loving, and energetic personality, her phenomenal cooking, her beautiful decorations, and how she opened her heart and home to family and friends until the end.
